

It is with deep regret that Care Alliance Ireland heard of the death of Dr Geraldine Fennell on Sat 28th June 2014. Geraldine has served as a director on our Board since 2008. She was an active participant in all discussions and was deeply passionate in defending Carers Rights throughout the island of Ireland.

All Staff and Directors in our organisation extend our deepest sympathy to her friends and relatives on their loss.

Kind Regards

Gerry Mc Caffrey

(Chairperson, Care Alliance Ireland)
